

Dear Valued Community Member,

Thanks to the generosity of our sponsors, hundreds of kids in the Penn Manor School District will learn and enjoy the Great American Pastime: Baseball/Softball. Our players develop valuable life lessons on the field, while cultivating and maintaining friendships that will last for years. Our boys and girls learn sportsmanship, leadership, and teamwork. They not only experience how to win, but how to lose with pride and a sense of self-accomplishment. These experiences become fond memories that last a lifetime.

As a volunteer-led 501(c) organization, your tax-deductible contribution is 100% allocated towards our expenses for field maintenance and playing equipment, such as baseballs and softballs, bats, catcher's equipment, field markers, bases, helmets and more. Without your support, we could not provide the things we do for our league. You can be confident your dollars are responsibly spent making youth baseball and softball affordable and accessible to all children in Penn Manor. We thank you for your time and consideration of supporting our valuable community organization through the following suggested sponsorship opportunities.

**Home Run Sponsorship: \$250**

- Business logo featured on PMYBS website
